RE: Reference No. 9FLP601

Gentlemen and Mrs. Bradbury:

The Department of Purchases respectfully requests "Prior Approval" of Reference No. 9FLP601, with respect to the purchase of parts for coupler on the TM-3 Trackmobile for the Filtration Plant. Currently the Plant has only one trackmobile in operation. Because they have just the one, they are asking for prior to expedite the ordering of the parts needed to repair equipment. A new trackmobile would cost approximately \$150000.00, to repair will cost \$8961.45. Wiese Planning is the most responsive vendor. This will be assigned a purchase order number upon Councilmanic Approval.
